

Youth Treatment Specialist

The Child Guidance Center is seeking multiple on-call Youth Treatment Specialists to provide milieu treatment to children in our Extended Day Treatment Program. This position will work 10-15 hours per month. This program provides mental health services to children ages 5-12 from 2:30 – 5:30 on school days and from 9-12 Monday through Friday in the summer and nonschool days. Requirements for the positions include a Bachelor's Degree, knowledge of child development, maturity, flexibility, and creativity. Equal Opportunity Employer.
