

Psychologist

Psychologist wanted for not-for-profit children's mental health center. Will function as member of several teams supervising clinical work. The agency currently employs 40+ masters level therapists and three psychologists and offers a continuum of services from outpatient to residential treatment. Must have experience in assessment and treatment of children and families and must be able to acquire full licensure as psychologist in Nebraska. Pay range is \$45,000-\$60,000, negotiable depending on experience. Please send letter and resume to: Carol Crumpacker PhD, Child Guidance Center, 2444 "O" Street. Lincoln, NE 68510, email: ccrumpacker@child-guidance.org.
