

Child Guidance Center's 2011-2012 Board of Directors

Child Guidance Center is governed by an elected, volunteer Board of Directors consisting of up to 25 members. As representatives of the community, Board members' responsibilities include establishing the agency's mission, reviewing agency policies, approving budgets and major contracts, monitoring the agency's performance, and exercising leadership in gaining opportunities for funding to better serve the community. This group of professionals is the driving force behind our mission to help children and families find hope and healing.
